PRESS RELEASE FOR IMMEDIATE RELEASE

HEADLINE: Great Lakes Contractor Services Welcomes New Team Member

Great Lakes Contractor Services (GLCS) announced that it has added Dan Rogers to its team.

Dan Rogers is a service professional certified in Water Damage Restoration and Applied Structural Drying. Dan has more than 3 years of experience in the area of professional contractor, cleaning, and restoration services.

Great Lakes Contractor Services provides professional contracting, property damage cleanup, and professional cleaning services in a three state area, Illinois, Indiana, and Michigan. GLCS is based in Portage, Indiana and Lisle, Illinois and provides services to residential, commercial and institutions. Our philosophy is based on customer service and the GLCS reputation for quality performance. One call restores it all! For more information 855-403-6900 or www.glcsmidwest.com.
